

Magic can
really happen . . .

GARRYVOE
HOTEL ★★★★★

... it's the magic of
the Garryvoe smile.

There has been a hotel on the beach at Garryvoe since the early 1900s and while the world has changed beyond recognition, some things have thankfully remained the same - the golden, sandy, five-mile beach; the view of Ballycotton and its lighthouse, and the smiling faces at the Garryvoe Hotel - a family-owned, independent four-star hotel.

At the Garryvoe you'll find a choice of intimate and spacious public rooms, all with direct sea views; sincere, attentive and friendly service; large, bright, family-sized guestrooms; dining options and times to suit everyone in the group; free WI-FI; a fabulous health club and swimming pool and of course that five-mile long, golden beach . . .

*You and your needs
are foremost in our
minds and we hope
we've thought of
everything to make
your stay special!*

"... one of the most pleasant experiences that we have had in a long time here or abroad. It was just perfect."

Where the fertile soil of East Cork meets the cold, clean waters of the Atlantic . . .

Sometimes it's easy to forget just how lucky we are in East Cork. We have the clean, cold and abundant waters of the Atlantic on one side and the warm, rich and fertile earth of East Cork on the other . . .

Earth that we believe grows the best vegetables in Ireland; the best grass that in turn grows the best beef and lamb . . . you get the picture!

When you combine all that with a generations-long food and hospitality tradition; the results are extraordinary synergies - some might say even magical . . .

. . . the freshest Fish & Seafood direct from Ballycotton Harbour; locally-reared meat & poultry from our local butcher; vegetables from our grower neighbours; fresh milk & cheeses from our local dairy farmers . . .

" . . . back from a completely chilled out weekend. Had a great time, lovely luxurious room, food absolutely fantastic . . . could not ask for more friendly staff, thank you & we will be back!!!"
